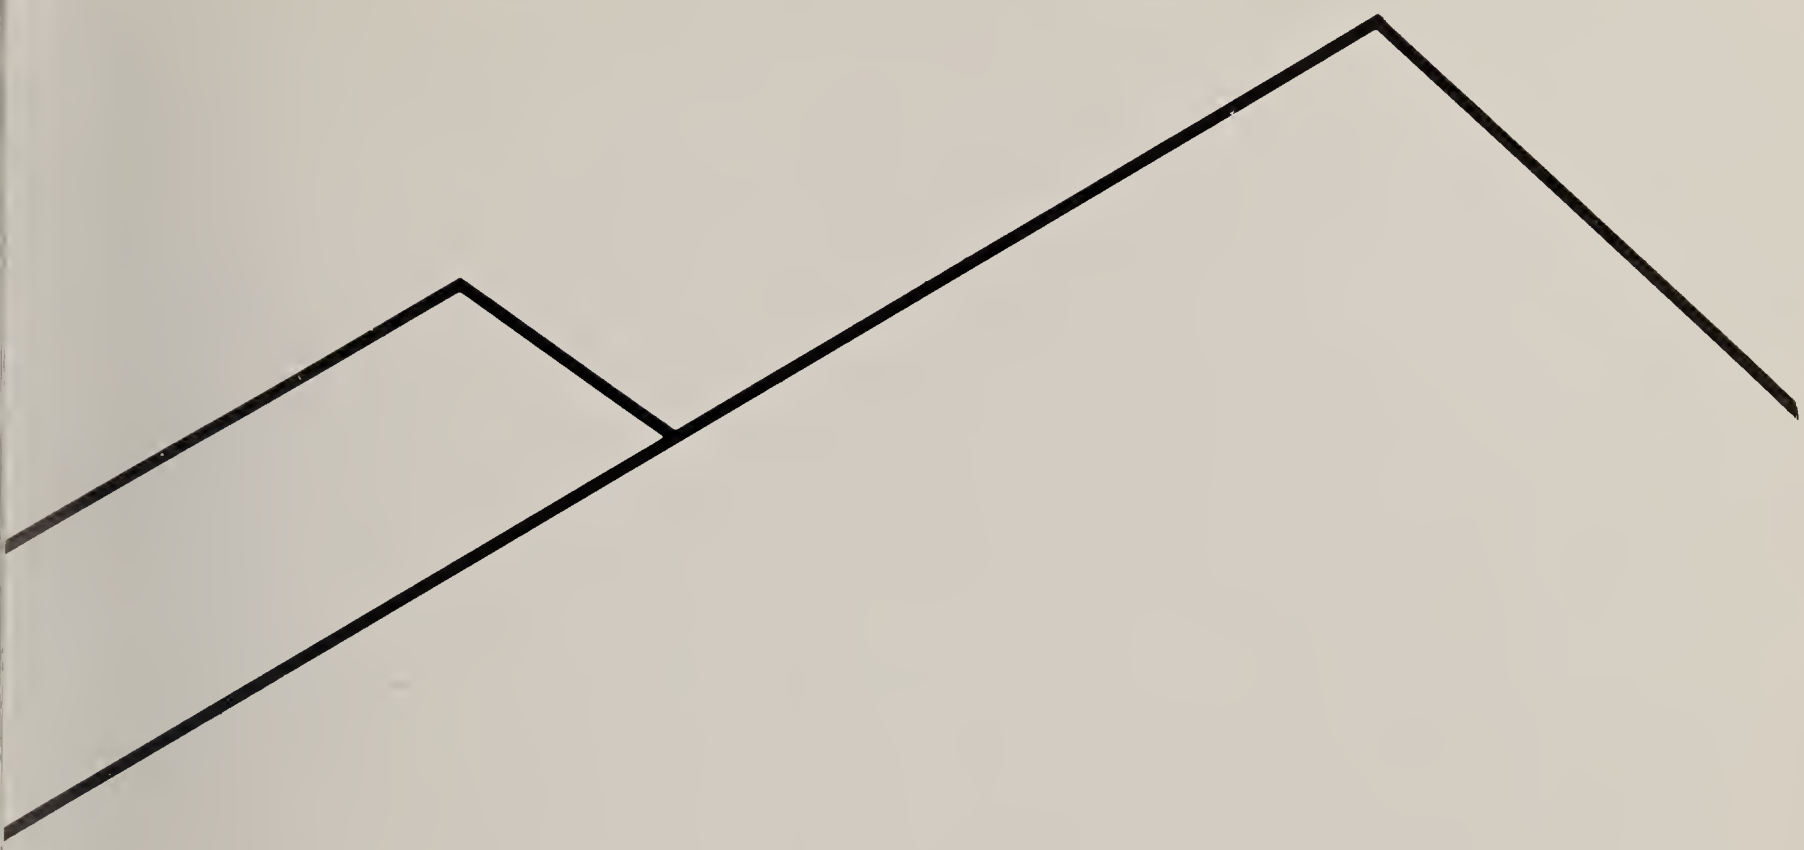
The Tri-County Summit



The summit is the highest peak on a mountain. It is the place every mountain climber wants to get to. In order to reach the summit the climber must work. He or she must use skills that have been learned and, my making mistakes, learn new skills. The climber must go on in spite of pain, weariness, and stebacks. What is the reward? To get to the top. To get above the crowd and see the beauty of the world, and to know you earned every breathtaking sight you see.

Learning is no easy task, either. It is work. It is tiring. It can be painful, and it often has setbacks. To acheive, a student must overlook all of this. He or she must keep "climbing." What is the reward? Knowledge. Knowledge that enables the student to question those who would take away the rights of an unaware population. Knowledge that puts the students above the crowd where he can see the breathtaking sights that only the enlightened mind can see. Does receiving a high school diploma mean you have reached The Summit? It means you have reached **a** summit. But as every good climber knows, there's always another, more challenging peak to conquer. Good luck graduates. May you seek many Summits, and may you conquer them all.

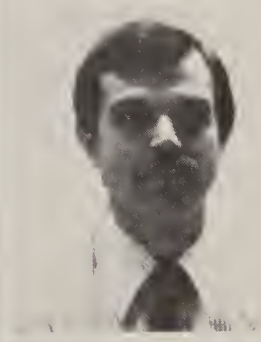
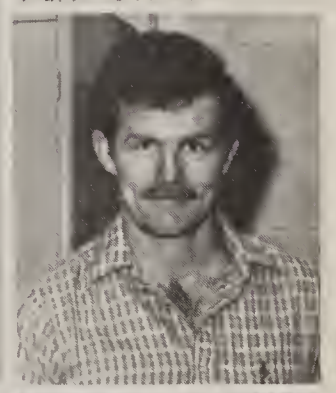
Deliverance

With open doors and,
open minds,
this place of wisdom
contains all kinds.
The air is clear,
we've finished our fourth and final year.
To greet the world with
knowing eyes,
we have been delivered
onto silver skies.
We as a people
must be heard,
for our opinion
will soon be learned.
Our generation
must realize,
that we must live,
grow and rise.
The present time
is just a dream,
but when set free
we all redeem.
Our preparation has
encumbered on us to use wisdom,
This is the goal for all
to attain.
This note I give to the people of Eighty-Four,
May they speak of us
from shore to distant shore.

by Scott Metcalf





Dedication

We, the Class of 1984, dedicate our yearbook to to all the athletic staff who helped us during our four years at Tri-County. These coaches put a lot of time, effort, and interest into our sports program. They took pride in their athletes and taught their athletes to have pride in themselves. They also imparted to the athletes a respect for fellow participants in athletic endeavors. We appreciate, in particular, the work done by Mr. Paul Trovato, the Athletic Director. Mr. Trovato works hard all year, every year, to organize and motivate the athletic program at Tri-County. He continually tries to interest many students in sports, so they may enjoy the rewards that this participation brings. We are grateful for his enthusiasm and dedication. We have learned a great deal from him. Mr. Trovato and all of our coaches have shown us leadership. We thank them for this, and will not soon forget the lessons they have taught us.

The Class of '84 would like to thank the office staff at Tri-County. Their hard work is often overlooked, yet without them education would grind to a halt. In addition to their required work, these staff members always seemed to have a smile to share, time to do one extra task, and an answer to every question. We would like to say thanks for everything.

Memo
To: The Class of 1984
From: Mr. Custy

In past years Tri-County graduates have distinguished themselves in many different ways. They have been enthusiastic, friendly, and cooperative. They have enjoyed learning with a purpose and have taken great pride in their many contributions to our member communities. However, more than any who have preceded you, this class has demonstrated a spirit of respectfulness that is most satisfying to those who have worked with you. It is common knowledge that in order to show respect for those we relate to, we must first indulge in self respect. As a class you have done that and as individuals, to the extent that you respect yourselves, all of life's advantages will be more easily attained.

Congratulations!

Mr. Kenneth Custy

Cross Country

The Cross-Country team had a record-breaking year in 1983. The team won 11 out of 12 meets, the most victories by a Tri-County sports team! This was the first year that the team competed in the Mayflower League. They proved they belonged by finishing second out of 11 league teams. The team also took home the Franklin Trophy for the fourth consecutive year, by defeating non-league rival Franklin High School. Individually the team had some stellar performers. Co-Captain Charlie Huidobro won eleven races. His 18 first place finishes over two seasons is a school record that should last a long time. Charlie, Co-Captain John Houlihan and Mike Houlihan were all named Mayflower League All-Stars. Craig Jordan and Steve Nolin were never far behind.

The remaining team members also contributed greatly. Chris Auclair had the second best time for a freshman in the league. The supporting cast of Bob McCormick, Dennis Akroyd, Paul Wilson and Dave Killoy completed the nucleus that made this the best Cross-Country Team in the school's history.

Front: Co-Captain John Houlihan, Co-Captain Charlie Huidobro, Dennis Akroyd, Michael Houlihan. **Rear:** Coach Randy Sloane, Craig Jordan, Steve Nolin, Paul Wilson, Dave Killoy, Chris Auclair, Bob McCormick, Asst. Coach Harold Stevens.

Puleo, S. Crehan, T. Delany, J. Manning. Missing: J. Washer, J. Devine, J. Lynch, B. Maus, A. Hudak, Asst. Coach Dow.

The soccer team completed its first season in the Mayflower League with a 3-12-1 record. Only five lettermen returned this year, so there were many new faces on the team. Mike Steinborn, Jeff Washer and Brian Dauphinee led the Cougars in scoring. Brian Nelson and Dave Yurek shared goal-keeping duties, making 75 saves between them on the season. The J.V. team posted a 1-1 record and many of these players should move up to the Varsity next year, adding more experience and depth to the team.

Football

1983 Captains

The 1983 varsity Football Team began its first year in the Mayflower League on a high note with an initial victory against Old Colony High School.

Although riding a tough streak through an extremely competitive league, the team in many of its games outgained its opponents by substantial margins, only being hurt by inexperience within this new league.

Many positive accomplishments were set by this team including the record setting performance of Captain Steve Killoy with 210 yards in receptions during a game against one of the top teams in the league. The nomination of Joe Toranto as the M.V.P. in the Thanksgiving game was another of this team's proud accomplishments.

This year's seniors are to be commended for their inspiration and leadership in the development of a team that never gave up.

The Intramural Volleyball Team was a new sport at Tri-County this year. The girls started out with little experience, but under the guidance of their coaches and with a lot of hard work, they managed to improve tremendously. This fact is proven by the record. As the season progressed, the girls' record improved, both wins and scoring were increased in the latter part of the season. Volleyball was a fun and exciting sport for all the girls who participated.

Boys' Basketball

The Boys' Basketball Team featured thrilling surprises throughout the season. The team defeated schools that we had never beaten before. A victorious overtime game against Upper Cape generated thrills that players and spectators shared together.

Four out of the starting five players will graduate this year. They will be missed by everyone. Jeff Walls and Tom Healy have played on the team all four years. Competitiveness on the court is an outstanding feature of both of these students. Steve Killoy and Todd Allen provided a spark to the team through their dedication and ability to draw their teammates together. This group of players worked together throughout the season, demonstrating that people can grow and enjoy things when they are drawn together for a common purpose.

The 1983-84 Girls' Basketball Team played hard and long despite just one victory. The team was led continually by Most Valuable Player, Luann Cormier. With her ball handling and scoring ability, Luann was the heart of the team. Other key performers were senior, Candy Bryda, a four year starter and Erin Erickson, a high scoring Junior who led the team in scoring in two games. With all but one player returning, we are hoping for improvement in 1984-85.

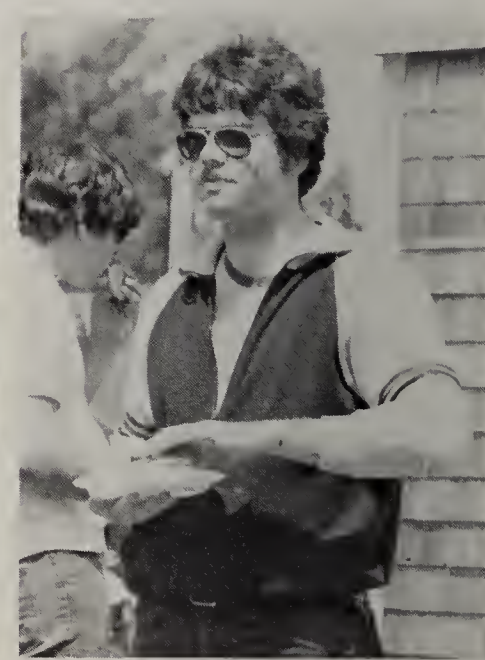
Spirit Day 1983



Fall Sports Banquet

The Fall Sports Banquet was held to honor the athletes who took part in Football, Boys' Soccer, Volleyball, Cross Country and Cheerleading. It was a night for the coaches to give special thanks to the athletes for the hard work and dedication they gave to their teams. Most Valuable Player awards went to Luann Cormier (Volleyball), Joe Taranto, Kaz Piorkowski and Steve killoy (all football). Most Improved Player Awards went to Jeff Washer (Soccer) and Paula Eliason (Volleyball). Mike Albee was the Most Dedicated Player on the Soccer team, as was Bob Cerrone on the Football Team. Charlie Huidobro, and outstanding runner for his entire career at Tri-County, won the Most Valuable Runner Award which was presented by Mr. Custy. Scott Fitzgerald was the most Sportsmanlike player on the Soccer Team. Mike Steinborn won an award for scoring the most points on the Soccer Team. The Cross Country Team had three members who won awards for Team Leadership. They were John Houlihan, Craig Jordan and Mike Houlihan. On the Soccer Team, Jodi Mathieu was the Best Server, Paula Pomponio was the Most Consisten and Candy Bryda showed the Most Leadership. Mike Stevens won the Freshman Award in Football, and Joe Taranto won the Balfour Award in Football. During the evening the athletes also thanked their coaches for all the time they gave and the respect they showed to the players.

LAMENT

Breath deep the Gathering Gloom,
Watch lights fade from every room.
Bedsetter people that back in Lament,
Another days useless energy spent.

In passion lovers wrestle as one.
Lonely man cries for love and has none.
New mother picks up and suckles her son.
Senior citizens wish they were young.

Cold-Hearted Orb that Rules the night,
Removes the colors from our sight,
Red is Grey and Yellow White,
But we decide which is right,
and which is an Illusion . . .

We've Got Tonight

Several members of the Class of '84 attended the Junior-Senior Prom, held at the Sheraton Inn, Mansfield in April of 1983. The group "Rough Mix" played many of our favorite songs, including our theme song for the evening, "We've got tonight". We enjoyed dressing in our formal gowns and tuxedos, dining, dancing, and being with friends. For many of us it was a night we will always remember.

DECA

Seniors Front: S. Cook, W. Johnson, M. Zanner, H. Zahner. Rear: E. Comeau, C. Dow, C. Conway, C. Bryda, J. Mathieu, Mr. Hichborn.

The Distributive Education Club of America (DECA) is a student centered organization with a program of leadership and personal development designed specifically for students studying marketing and distributive education. Some of the goals of DECA are to develop leadership qualities, increase self-confidence and increase students' knowledge of the free enterprise system and to improve awareness of career opportunities.

Tri-County DECA has formed three chapters for this school year. One chapter each for sophomores, juniors and seniors. The students attended conferences in Mansfield and Hyannis. Tri-County has had great success in the past sending students to national competition in Miami, California and Chicago.

Yearbook Staff

It is not an easy task to produce a yearbook. It requires a great deal of work and time. I would like to thank the yearbook staff for the time and work that they put into making this yearbook special. I owe a special thank you to Jodi Mathieu who spent many hours typing yearbook pages. I also want to thank Candy Bryda, Carol Schaaf, Tina Comisky and Leona Kaveny for their help with lay-out and for their ideas. Dennis Akroyd and Bruce Rawson did an excellent job of selling ads. Underclassmen Michelle Gregoir and Mandy Alsten were hard workers who came to nearly every yearbook meeting. The book would not have been completed without their help. I would also like to thank the Tri-County Staff for their cooperation in putting the yearbook together. They were most helpful in identifying students, helping with write-ups and countless other tasks. A yearbook is the product of the work of many people. I am grateful to the many people who contributed to this book.

Senior Dinner Dance

The Senior Dinner Dance was a night for all the Seniors to get together, talk and enjoy good old times. The banquet was prepared by the culinary Arts students and was delicious. It was an All-around good noght, and something that we will always remember.

Patrons and Advertisers

We would like to thank the advertisers and patrons listed on the next pages. Their contributions greatly reduced the cost of yearbooks to students. We appreciate their interest in our efforts, and we are grateful for their support. We would like to encourage Tri-County students and their parents to patronize these businesses when possible, to show appreciation for their support of Tri-County students and their activities.

Special Parent Patrons

The following people have donated very generously to our yearbook fund. The publication of a yearbook is an expensive undertaking. The effort is made possible only through the kind donations of these people, and those of our advertisers. We are most grateful for all of their support.

Faculty Patrons

The following staff members have made generous donations of time or money to sponsor this yearbook. We thank them for their interest in this project. A school is made of the people who are in it. At Tri-County we are lucky to have a great many people who are concerned and interested in the education of students.
